Newsletter 1 autumn 2024
Friday 20th September

DEAR PARENTS AND CARERS,

I hope you have all had a wonderful week.

It has been yet another busy week at Poringland Primary School and Nursery; the children are enjoying learning more about their themes for this term as they work as Historians. Hopefully many of you were able to attend the curriculum meetings for your child/ren. Your child/ren's curriculum map will be emailed out to you next week; this will allow you to see what they will be learning about this term. Also, it is lovely to have most of our reception children in full time now, they have settled in so well!

Thank you to those of you who were able to make our first PTA (Parent Teacher Association) meeting on Monday; it was a great turn out and the PTA have organised a plethora of events throughout the year to raise funds for the development of our Junior playground. Your help is always gratefully received; if you can help our PTA in any capacity please do contact the PTA chair – Nat via email poringlandptachair@gmail.com.

Have a great weekend.

YEAR 4 NEWS

Last Friday, Year 4 visited Poringland library.

We listened to a funny story called 'Zog and the Flying Doctors' by Julia Donaldson, which linked to our current English work based on dragons.

We also had the opportunity to explore books based on this term's 'Working as Historians' theme, all about the Anglo-Saxons and Vikings, as well as some stories from Cressida Cowell who wrote 'How to Train Your Dragon'. We are starting some brilliant work about this book so it was great to see some of Cowell's other stories we could borrow from the library.

We also had the opportunity to borrow some library books which we will enjoy reading during this half term.

Thank you to Poringland Library for a wonderful morning.

10 REASONS TO JOIN THE PTA

- 1 SUPPORT THE SCHOOL**
The PTA is vital to the success of the school. Funds raised stretch your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.
- 2 IT'S TOTALLY FLEXIBLE**
Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.
- 3 MAKE LASTING FRIENDSHIPS**
Meet and chat to a wider circle of families from different classes and year groups, get to know other parents, and bond over exciting events, socials and get-togethers. Find a place to belong and spend time with others who share your values.
- 4 BE BETTER CONNECTED**
Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.
- 5 BECAUSE IT'S FUN!**
Be part of the team which organises the best events and get-togethers. Dabber over a glass of wine (or two). Suggest your most hare-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.
- 6 CHANGE SCHOOL FOR THE BETTER**
Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.
- 7 LEARN NEW SKILLS**
Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the Support of the committee.
- 8 IMPROVE YOUR CHILD'S LEARNING**
Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your child that education is important to you. Play your part in improving the school and watch them
- 9 IT'S NOT JUST FOR MUMS**
Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.
- 10 CREATE LASTING MEMORIES**
Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we find, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.
