UPDATES

Please continue to support the safety of our children at school by parking considerately. This includes not blocking residents' driveways, keeping the turning circle clear, and avoiding parking in the "Keep Clear" area.

We also hope you enjoyed attending your child's curriculum meeting and found it helpful to learn more about what will be happening this academic year.

We are excited to share a new approach to how we teach Religious Education at our school. The whole school will take part in **Worldview Week**, during which each year group will spend a **whole day learning about the culture, faith, and traditions** of a specific religion, this will happen once a term and this term the year groups will be learning about the following faiths:

- **Years 1 and 2:** Christianity
- **Years 3 and 4:** Hinduism
- **Years 5 and 6:** Islam

The aim of Worldview Week is to help our children develop a deeper understanding of a variety of beliefs and practices. This supports our commitment to fostering respect, empathy, and appreciation for the diversity of cultures and faiths within our wider community.

If you would like to learn more about what will be happening on this day, please speak to your child's class teacher.

How to Set up PARENTAL CONTROLS

to limit age-inappropriate

CONTENT iPhone

National Online Safety

www.nationalonlinesafety.com

The parental controls on iPhones allow you to block or restrict certain apps, features, content, downloads, or purchases. Setting limitations on content ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to unsuitable material and information.

18+ Set up content rating restrictions

Content filters keep your child from viewing unsuitable material. They block apps, films and TV shows with specific age ratings, and music and podcasts with explicit content.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Enable Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Choose the Settings for each feature you wish to restrict

Set up web restrictions

Website content filters restrict age-inappropriate content on Safari. You can also blacklist certain websites or allow access only to approved sites.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 4 Tap Web Content
- 5 Choose between Unrestricted Access, Limit Adult Websites and Allowed Websites Only
- 7 Choose which websites you wish to allow/block

Set up Siri web search restrictions

You can screen out explicit language to avoid Siri displaying inappropriate results. You could also disable Siri entirely, so your child can't use it to search the web.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Scroll Down to Siri
- 6 Choose to block either or both Web Search Content and Explicit Language

The parental controls on smartphones allow you to block or restrict certain apps, features, content, downloads or purchases that might not be suitable for young people. Setting limitations around age ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to potentially upsetting material and information. In our guide, you'll find tips on avoiding potential risks such as age-restricted content, explicit websites and inappropriate search results.

PTA+
The home of school fundraising

10 REASONS TO JOIN THE PTA

- SUPPORT THE SCHOOL**
The PTA is vital to the success of the school. Funds raised enrich your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.
- IT'S TOTALLY FLEXIBLE**
Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.
- MAKE LASTING FRIENDSHIPS**
Meet and chat to a wider circle of families from different classes and year groups. Get to know other parents, and bond over exciting events, socials and get-togethers. Find a place to belong and spend time with others who share your values.
- BE BETTER CONNECTED**
Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.
- BECAUSE IT'S FUN!**
Be part of the team which organises the best events and get-togethers. Debrief over a glass of wine (or two). Suggest your most hare-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.
- CHANGE SCHOOL FOR THE BETTER**
Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.
- LEARN NEW SKILLS**
Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the support of the committee.
- IMPROVE YOUR CHILD'S LEARNING**
Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your children's education is important to you. Play your part in improving the school and watch them thrive.
- IT'S NOT JUST FOR MUMS**
Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.
- CREATE LASTING MEMORIES**
Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.
